**REPORT AND RECOMMENDATION CONCERNING PLEA OF GUILTY
(NO PLEA AGREEMENT)**

The United States of America and the defendant, having both filed a written consent to conduct of the plea proceedings by a magistrate judge, appeared before me pursuant to Fed. R. Crim. P. 11 and LCrR 11. The defendant entered a plea of guilty to Count 1 of the Indictment charging him with being a felon in possession of firearm and ammunition, in violation of 18 U.S.C. § 922(g)(1). After advising and questioning the defendant under oath concerning each of the subjects addressed in Rule 11(b)(1), I determined that the guilty plea was in its entirety voluntarily, knowingly and intelligently made and did not result from force, threats, or promises. I further determined that there is a factual basis for the guilty plea on each of the essential elements of the offense in question. There is no plea agreement.

I recommend that the plea of guilty be accepted and that the defendant be adjudged guilty and have sentence imposed accordingly. A presentence report has been ordered and sentencing proceedings scheduled.
